ICE COMPANY PLACES TANKS FOR SANITATION

NEW DEVICE INSURE UTMOST IN SANITATION IN HANDLING ICE

The Cameron Ice and Cold Storage Company have begun an advertising campaign calling attention to the advantages of pure ice in the home as a means of refrigeration for the family.

In addition to this attention is called to the equipment of their delivery wagons with water tanks from which the ice before it is placed in the ice box is drenched to make it sanitary.

We are informed the Cameron Ice and Cold Storage Company is the first ice manufacturing concern in the country to adopt this method of handling ice and requests have been made by the journal published by the Southwestern Ice Manufacturing Association for photos of thi stank so that the journal can use a cut in their forthcoming magazine edition.

It will be of interest to the people here to note the efforts of the ice company in its campaign to urge the practicability of ice as a home refrigeration and its economy.

Also the water system on the wagons will appeal to the people here as affording a most satisfactory system of sanitation for the handling of ice for the homes.

MEMORIAL SERVICES HELD AT HIGH SCHOOL

ADDRESSES AND MUSIC MARK ANNUAL MEMORIAL DAY FOR DONARS

Yoe Day was appropriately observed at Yoe High School this morning. The following program was given with Hon. T. S. Henderson as chairman:

Invocation—Rev. H. G. Kenney.

Song

Talk—Herman Harlan, Representative of Senior Class.

Talk—Katherine Ely, Representative of Senior Class.

Song

Address—Superintendent T. A. Fisher.

Following Mr. Fisher's address the school marched in a long line to Oak Hill Cemetery where flowers and garlands of Cameron's most beautiful flowers were placed on the graves of the donors of the school, Mr. and Mrs. C. H. Yoe. Following this the assembly was dismissed by Ben Atkinson, Jr.

This day is annually observed in accordance with provisions of the Yoe will.

FISHING AT MEDINA LAKE

J. B. White, editor of the Cameron Herald, Rev. L. J. Power, Julian and Roy Baskin left Monday morning in a car for a few days' fishing and hunting trip. We expect to hear some novel stories related upon their return. We wish for them a delightful time and a safe return home.

Miss Frances Looney of Ben Arnold was shopping in Cameron Saturday.

PRIZES AWARDED IN BIG GARDEN CONTEST

MRS. GRAHAM GILLIS WINS FIRST PLACE; MANY GOOD GARDENS FOUND

In the Business and Professional Women's prize garden contest the first place was given to Mrs. W. G. Gillis. Mr. Sam Pitt's garden was second and Mr. G. C. Walters won third. The committee of judges found many fine gardens and it was hard to make their decisions. They gave the gardens of the following honorable mention: Mrs. J. B. White, Mrs. S. Denson, Mr. Schrieber, Joe Mordrik, Mr. Joe Westmoreland, Jo Navratil, Miss Frieda Bauer, Mr. John Watson and Joe Stocklas. They also gave honorable mention to Joh Williams (colored).

The first prize was ten dollars, the second was five and third prize was two dollars and fifty cents.

C. D. Carey Visits Milam County Yards

Charles D. Carey of Chicago Ill., and E. A. Foster of Oklahoma City, Oklahoma visited the Carey Company's lumber yards in Milam County. They have three yards. One at Cameron, Buckholts, and Burlington. Mr. Carey and Mr. Foster expressed themselves as well pleased with the condition of their yards in this county.

L J POWER DELIVERS TALK TO BAPTIST MEN

METHODIST PASTOR DELIVERS INTERESTING ADDRESS TO BAPTIST BIBLE CLASS

The Business Men's Bible Class of the Baptist church met last Sunday with thirty present and welcomed three visitors.

Rev. L. J. Power, pastor of the First Methodist church addressed the class at this time, his subject being, "The Life and Character of the Christian Man." Brother Power brought a most wonderful message and every member of the class present received a great blessing.

The subject of the lesson for next Sunday, May 15th, is, "The Source of Spiritual Power. The lesson discussion will be conducted by the teacher of the class, Mr. F. B. Cable and we urge all members to be present. You should hear Mr. Cable at this time as the lessons just now are very helpful.

Visitors welcome; come and meet with us, 9:45 a. m., in class room at the Baptist church.

EPWORTH LEAGUERS MEET HERE MAY 14 & 15

DELEGATES FROM MARLIN DISTRICT TO CONVENE IN SESSION HERE

The Marlin District League Institute will convene in Cameron May 14 and 15 at the First Methodist church. The people of Cameron welcome these representatives from the various leagues in the district. A large crowd is expected and they will be entertained in the homes of Cameron. An interesting program has been outlined as follows:

2:00 to 2:15, Advantages and Benefit Derived from Attending the Assembly, Grayse Springfield, Marlin.

2:30 to 2:45, The Good Times of the

2:15 to 2:30, The Spirit of the Assembly, Miss Mildred Bradley, Calvert Assembly, Miss Morine Smith, Calvert.

2:45 to 3:45, Business Meetings.

League Benediction.

Sam Hefley returned to Austin for the special session of the legislature on last Sunday.

Albert Bonds Shot to Death In Belton Street Wednesday

Belton, May 11—Albert W. Bonds, former Bell County Sheriff, was shot and fatally wounded while standing in front of the Belton National Bank today at 11:35 a. m. Five soft nosed bullets, presumably from a high powered rifle took effect, every shot fired striking its mark.

Bonds died in the hospital 50 minutes later.

His assailant was firing from a Ford roadster, directly in front of the county tax collector's office at the court house, 55 yards away. It was said that the shots were fired with deliberate and careful aim and that the man who fired them got into his car and drove slowly up East street headed in the direction of Temple.

This afternoon a number of witnesses were examined by County Attorney Henry Taylor at a court of inquiry and subsequently a charge of murder was filed against Monroe Fisher of Temple in a complaint before Justice Bob Law in connection with the case. Bond for Fisher was set in the sum of $10,000 following a conversation with District Attorney Few Brewster, who is attending court in Goldhwaite.

One of the witnesses in the inquiry hearing said that he was positive that he recognized the driver of the death car and that it was not Monroe Fisher.

A number of persons were in line of the shooting and narrowly escaped being struck by the bullets. There was a large crowd on the streets.

One of the bullets entered the right thigh of Bonds about eight inches above the knee, breaking his leg. Another bullet entered the right chest two inches above the nipple and came out in the right arm pit, making an ugly wound in the arm. Still another bullet entered the left chest above and slightly to the left of the heart. This wound, according to physicians, was the fatal one. Both hands were partly torn away by shots.

Lives Fifty Minutes

Bonds lived 50 minutes after he was shot. He was conscious up until a few minutes before he died. He talked freely with his wife and children and told the boys to "be good boys and make good law-abiding citizens." Just before he breathed his last he told his family goodbye and told them that he "wanted to meet them in Heaven."

A. D. Campbell, an employee of the Belton National Bank was perhaps the first to reach Bonds following the shooting. George W. Caskey and B. M. Hudson, a Salvation Army worker, also were among the first to reach his side and render what aid they could. Bonds was placed on the lumber truck of Wm. Cameron and company and rushed to the local hospital where he died a few minutes later.

Monroe Fisher was released under $10,000 bond to await action of the grand jury in connection with the fatal shooting of former Sheriff A. W. Bonds in Belton Wednesday morning, on complaint filed in Belton late Wednesday before Justice Bob Law.

Fisher would make no statement in connection with the charges against him. He went to police headquarters when he heard he was sought, it was said, and was there arrested for questioning by Deputy Sheriff Johnson. Later the charges were formally filed after the court of inquiry hearing. He accompanied Sheriff Bigham to Belton about 6 p. m., quickly made the bond and returned to his home here.

Johnnie Fisher, 19, a younger brother, was charged with murder in connection with the shooting in a complaint filed before Justice of the Peace R. E. Williamson late Wednesday night by Sheriff John Bigham at the request of County Attorney Taylor. Mr. Taylor said that it was necessary to file this complaint following testimony of one of the witnesses summoned in the court of inquiry hearing, stating that he thought the man who did the shooting was Johnnie Fisher. Johnnie Fisher is reported to be in Houston, officers not being able to locate him last night.

RUDOLPH BOWLING PROTESTS TAXATION OF PROPERTY; CLAIMS PARTNERSHIP WITH GOD

A tax suit developing novel and unusual proceedings was tried in the District Court before Judge Watson on Saturday May 7, styled the State of Texas, plaintiff vs. Rudolph Bowling, defendant. The State asked judgment for $1792.83 growing out of delinquent taxes assessed against various lands and properties of the defendant in Milam County for several years delinquency.

Mr. Bowling appeared in person in his own behalf and filed lengthy written answers resisting the suit. He claimed that the State could not legally require him to pay said taxes and that same was not a proper charge against his property on account of the fact that all of said property belonged to God and that to subject said property to taxes would interfere with his religious liberty and his right to worship the Lord according to his own conscience. He also pleaded and insisted that such a suit and claim by the State was contrary to certain provisions of the constitution of the United States and several of which articles were quoted in the filed answer. He also asked that the Clerk of the District Court issue process for God, Jesus Christ and the Holy Spirit, to appear as witnesses for the defendant in the trial of the cause.

After hearing the pleadings and the evidence and argument, the Court rendered judgment in favor of the State of Texas for the amount sued for, together with foreclosure of the constitutional lien.

A judgment was also rendered in favor of the State against L. J. Bowling, a brother of Rudolph for the sum of $57.83 in a companion suit and in which a similar defense was made by this defendant.

The court told the defendants that while he respected their religious belief and recognized their right under the law to worship God according to the dictates of their consciences, still as citizens of the State and County enjoying the protection of the laws and receiving the privileges and benefits of a free government, that it was likewise their duty and responsibility to share with other citizens the burdens of government, and that their property, acquired and enjoyed under the protection of the laws, should, and would be, liable for the payment of legal taxes assessed against it.

Several weeks ago County Tax Collector Roy Law and the Assessor, Miss Leila Woolley called on these parties at Gause in an endeavor to get them to render their property for taxation for the year 1927, but they refused to do so, assigning as a reason for their refusal similar grounds as set out in the answers filed in Court in the cases mentioned. Under the law, this matter will come up for consideration by the Commissioner's Court when it meets as a Board of Equalization in June.

Both of the Mr. Bowlings are men of families and have resided at Gause in Milam County for a number of years. They are recognized as men of good business judgment and are interested in ginning and farming enterprises and have accumulated quite a bit of property in that section of the County.

One of the answers filed by Rudolph Bowling follows:

Gause, Milam County, Texas.

To the judge of the District Court of Milam County, Texas, or any judge of these United States of America. Be it known that whereas: There has been delivered to me, Rudolph Bowling, a citation to appear before the District Court of Milam County, Texas, at the next regular term thereof, to be held at the court house of said county in the city of Cameron on the first Monday in May A. D. 1927, the same being the 2nd day of May A. D. 1927, then and there to answer plaintiffs petition filed in said court on the 24th day of March A. D. 1927 in a certain suit No. 561 in which said suit the State of Texas is named plaintiff and Rudolph Bowling, defendant. The nature of the demand set out in said petition, being an action by plaintiff, praying for judgment against the defendant in the sum of $1792.83 for State and county taxes,

(continued on page 6)

Baseball Game at Buckholts Sunday

The fast Buckholts baseball team will meet the Modern Woodmen team from Temple at the Buckholts baseball diamond next Sunday afternoon at 3:30. Both these clubs are members of the Waco News Tribune cup race and this should be a very good game. The public is cordially invited to attend.

BAPTIST PASTOR WILL FILL PULPIT SUNDAY

REV. HUTCHERSON WILL NOT GO ON EASTERN TOUR AS PLANNED

Rev. E. S. Hutcherson who has been attending the Southern Baptist Convention in Louisville, Kentucky, will return to Cameron this week and occupy the pulpit on next Sunday at the morning service. He will not go to Washington and New York as he originally planned to do, but will return to Cameron and his church this week.

The following telegram was received by Mr. Black in which the pastor sends greetings to the church Mother's Day:

"I send love and best wishes to the most loyal and co-operative set I know. I trust you will have a great Mother's Day Service, one worthy of the noble mothers in our church. I have concluded not to go on my journey. Will be home for next Sunday."

E. S. Hutcherson.

Jack Hearrell and Wm. R. Rogers were in Austin on business last Monday.

CHANGES MADE IN BASEBALL SCHEDULE

CITY LEAGUE TEAMS CHANGE SCHEDULE AT RECENT MEETING HERE

The City League schedule has been revised and below is given the new schedule:

The City League schedule is as follows:

May 10, Schumacher vs. Lions.

Edward Manning, Cyrus Miller, Geo. Adams, Terry Wiley, Albert Evard, Leo Mohler, Bob Terry, Dump Wiley, Elton Ledbetter, Prothro Deer, Elmo Baggett, Peto Graves, Robert Young and Larry Hackabeil.

LEGION MINSTREL IS BIG SUCCESS HERE

AMERICAN LEGION MINSTREL DRAWS LARGE CROWD HERE

The Minstrel and dance given by the American Legion last Saturday was a great success. The house was packed. There were people here from many of the neighboring towns. The different characters were well chosen and they played their parts well.

Little Miss Virginia Alford was the favorite with the crowd when she did the Charleston. It brought the house down.

The Legion wishes to thank John Williams, Jack Hardin, Dinks Culligan, Dempsey Weems, Frank Hubert, Dug Williams, Leo Werner, Wm. Turner, Walter Hess, Lawrence Caldwell, Hayseed Clifton, Bert Nicholson, Mrs. Joe Casey, Little Miss Virginia Alford and others who helped to make this minstrel a big success.

J. D. Lewis and his orchestra furnished music for the big dance that followed the minstrel. The Legion derived about $170.00 from this entertainment.

On account of some of the business men being unable to attend the big show last Saturday night the show will be repeated on Tuesday night May 24th according to Monk Alford, who has charge of the show for the American Legion. In addition to the play they have secured a new string of cross fire jokes. Besides this the boys are adding another play which will make four acts with vaudeville between each act. Between one act, they will have the old country store and any one that has ever seen one of these will not want to miss this.

Doris Davis Crowned Queen In May Fete

The most elaborate entertainment of the current school year was the second annual May Fete which was presented by the school children of Cameron on last Friday evening at the Lawless Green Athletic Field.

The approach of the Royal Party was heralded by the arrival of the Royal Guard who took their position by the throne and stood at attention during the coronation ceremony. The Queen Miss Doris Davis, was lovely in a gown of white with a court train of white and silver. At the foot of the raised dias, she was met by the King, Arthur Adams, who led her to her throne.

The ladies of the court wore charming, bouffant period frocks, and lovely coloring formed a brilliant pageant of spring which followed.

After Miss Davis had been crowned Cameron's Queen of May, Dame Nature appeared before the throne and summoned her children to do honor to the Queen. Shy white rabbits hopped timidly about while gay butterflies poised eagerly by expectant. Flowers, Fairies and Brownies left their woodland haunts for a time and joined in Nature's revelry before the throne. Demure English eyed Chinese boys trotted gravely about empioying their chopsticks in a most realistic manner; gay Italians gave place to stutely Franch dames and care free Irish children were followed by quaint Japanese maidens. Just as dusk began to gather a bevy of small girls skipped to their places at the Maypoles and twined their streamers expertly in a charming dance which concluded the entertainment before the court.

R. D. BROWN HOME FROM DALLAS GREATLY IMPROVED

Mr. and Mrs. R. D. Brown arrived before noon from Dallas where they have been for the past several weeks, having gone there for treatment for Mr. Brown's health. They made the trip in the car.

Their many friends will be pleased to note that his condition is much improved, and wish for him a complete recovery soon.

Miss Sallie Coleman home Friday. She i of her college cl house party ents, Mr. a

Rockdale Store Is Burglarized of $150; Get Two Automatics

Cash to the amount of $150 and two new automatic pistols were taken from the safe of the Ashby Brothers Confectionery Monday night after the thieves had gained entrance by breaking the glass in the rear doors of the building. Officers are now working in an effort to round up the thieves, although no clues were left.

H. G. Ashby, proprietor, who discovered the robbery soon after opening his store for business Tuesday morning, stated that from all appearances the robbery was carefully planned and probably performed by some one well acquainted with the lay-out of the enterior of the store. The glass in the rear door was broken, which allowed an easy admittance.

"The thieves evidently opened the safe, got what they wanted, and left," Ashby said explaining that neither of the two cash registers were touched, and that so far no merchandise had been missed. A dollar was taken from a box near one of the cash registers. Ashby sai dthat he was not certain as to the exact amount secured from the safe, but that it would total at least $150. The two automatics were lifted from a "punch board" that had been placed in the safe. "The pilfers were very careful to leave all stock and fixtures intact, and I noticed no disorder when opening my place of business Tuesday morning," Ashby added.—Rockdale Reporter.

Post Office Lobby Remains Open Later

Mrs. Bessie Hefley postmaster, announces that she has been authorized to keep the night clerk on duty two hours longer, so that the post office will be open until 11 p. m. hereafter.

Mail will be made up at 10:30 p. m., and all letters in the office by that hour will go out on the night and early morning trains.

Mrs. Hefley sent several letters and a petition to Washington to get this better service and she is glad to make known the new arrangement.

This will entirely eliminate the neccessity for our business men mailing letters at the Auditorium hotel, it is pointed out.

This change went into effect last Sunday.

Raymond Vesey Is Injured In Gravel Pit At Rockdale

Raymond Vesey, son of Mr. and Mrs. Will Vesey, is in the Cameron Hospital with a badly broken leg as the result of being caught under a gravel slide while engaged in hauling gravel from the pit north of town last Friday.

Vesey was brought to his home here, where Dr. Sessions gave first aid and rushed him to the hospital. X-ray pictures show that the thigh bone is broken in two places, and that the ends of the fractures are splintered, making a very serious wound.

Vesey was operated on Friday morning, it being necessary for the surgeon to open the leg and wire the bones together at both ends in order to insure the proper knitting of the bones.—Rockdale Reporter.

Household Hints

Royal Roast Ducklings for Sunday dinner are an event when served in the following way: Roast plump ducklings until they are tender and serve with inch-thick rounds of hominy, crusty on top with browned Parmesan and butter, and slices of Hawaiian pineapple. Drain slices of pineapple until fairly dry, dip in seasoned flour and brown on a hot griddle, wiped over with salad oil. Garnish with crisp sprigs of parsley.

A fruit punch which combines pineapple and honey is made by mixing half a cup of lemon juice, one-half cup of orange juice, one-half cup of honey, one cup pineapple syrup, two cups of ice water. Use the rich syrup drained from a can of Hawaiian pineapple, and strain the mixture over a piece of ice. This makes four ordinary glasses or twelve punch glasses. Place a small slice of Hawaiian pineapple in each glass and serve cold. This is a particularly healthful drink, as honey is soothing to the throat and pineapple is frequently prescribed by physicians for sore throat.

Pineapple in combination with bananas both in desserts and salads is particularly good. Pineapple is not only easy to digest itself, but contains an aid to digestion that is sufficient to take care of the banana, which, unless very ripe, is more difficult to digest. The tang of the pineapple gives a pleasing acid flavor to the dessert.

Mint and Jelly Sauce—Beat 1 cupful of currants or any tart jelly and add the juice of 1 orange and 1-2 cupful of minced meat leaves. Let stand in a cool place for an hour before serving. This is fine with meats.

Sauce for Steak—Porterhouse steak is delicious served with a sauce made with 1 tablespoonful of lemon juice, 1-4 teaspoonful salt, a dash of pepper and 1 tablespoonful of Worcestershire sauce stirred into 1-3 cupful of browned butter.

Raisin Sauce—With boiled heart, raisin sauce is delightful. Melt 4 tablespoonfuls of butter, add 5 tablespoonfuls of flour and stir until well blended; pour on gradually, while stirring constantly, 2 cupfuls of the liquid in which the heart is cooked. Bring to the boiling point and season with salt and pepper. Let boil two minutes. Add 1 cupful of raisins, 1-2 cupful of broken English walnut meats and 2 1-2 tablespoonfuls of lemon juice. Bring to the boiling point and pour around the boiled heart.

Fruit Figures—Boil 2 cupfuls of sugar with 1-2 cupful of water until the soft ball stage (234 to 240 degrees on the candy thermometer) is reached. Remove from fire and beat until the mixture creams, but use care that it does not get too thick. Add 1 cupful of chopped figs and 1 cupful of chopped dates. Beat as long as possible. Form into a long roll, wrap in a wet cloth and leave in a cool place over night. Slice in thin strips or cut in fancy figures. These fruit treats are enjoyed at children's parties.

Cheese Fingers—An accessory that is enjoyed with salad, especially if served piping hot, is the cheese finger. Rub 1-4 pound of soft American cheese with 1 tablespoonful of tomata catsup, a dash of salt and cayenne and 1 tablespoonful of butter. Spread this over slices of bread, cut each slice in strips one inch wide and toast quickly in a hot oven. Serve hot.

Auction 42 Club

Members of the Auction forty-two club and guests were delightfully entertained at the Cameron Country Club on Tuesday afternoon by Mrs. S. A. Cottle.

Beautiful spring flowers were tastefully arranged in wall pockets baskets and roses throughout the reception hall, where five tables with attractive covers were provided for the players.

Little Miss Mary Ellen Cottle charming daughter of the hostess, passed the score cards.

The one making high score at each table and the one making highest received a copy of the picture "Blue Petunias," by Miss Georgia O'Keefe, a noted painter. These were won by Mesdames James Watson, J. L. Clinton, Oxsheer Smith, W. A. Bonds and Miss Aetna Smith.

The hostess assisted by Mrs. J. L. Clinton, served peach nut ice cream and pecan cake on handpainted trays centered with a bowl of sweet peas. A corsage of pink sweet peas for each guest was laid on the trays.

Other than club members present were Mrs. Swift of Gardiner, Maine., Mrs. W. E. Gaither of Rockdale. Mesdames Mack Fox, J. L. Clinton, Lena Baskin Albert Triggs, Oxsheer Smith, Eugene Green, James Watson, Tom Denson, J. C. Tucker, G. C. White, Clifton Jenness and Miss Aetna Smith.

Returns to His Former Home on a Visit

Irvin Clary former employe of the Citizens National Bank of Cameron, who left here last year to accept a position in a bank in Dallas, was a Cameron visitor this week. Mr. Clary has scores of friends here who are always delighted to welcome his return visits.

S of Mr. Miracle's schools here in Wichita Falls is disclosed e deal in which he acquires con f the large Dallas school. Con to the general rule for busicesseges Miracle's schools have beenently successful financially it irned here.

"I that by acquiring the Dallas schy other schools will be benefitor it will afford a larger outlet placing the students who may com Abilene to take their training we do not have a position open at place when the student finishes we be able to find one at another cit said Mr. Miracle.

e Miracle, brother of the Presid will be in charge as principal at as. He was formerly with the Cel State Bank and the H. O. Wh Wholesale Grocer Company hend more recently has been conn with Draughon's at Wichita F —Abilene Reparter-News.

DANCE AT COUNTRY CLUB FRIDAY NIGHT

ere will be a dance at the Cam- Country Club Friday night. The ght Serenaders of Temple will sh the music. Every member of Club is cordially invited. There be tables for bridge and 42 for e who do not care to dance.

D. LEWIS TO PLAY AT WAYDE FRIDAY AND SATURDAY

. D. Lewis will play at the Wayside on both Friday and Saturday hts of this week. Mr. Cammer exssed his regret on not having the ce last Friday night on account of members of the orchestra having trouble and not being able to get re but he promises that this will t happen again.

B. Y. P. U. Have Picnic

About fifty members and guests of e Baptist Young People's Union enoyed a picnic at Wayside park on uesday night. Mr. Black, educaional director of the Baptist church haperoned the crowd. Everyone reported a very enjoyable time.

Presbyterian Auxiliary

The Presbyterian Auxiliary held an interesting meeting at the church Monday afternoon. A short business session was conducted. The Bible study was led by Mrs. Ben Atkinson.

The Auxiliary birthday party was postponed from May 16 to May 23.

The meeting will be held in circles next Monday afternoon.

Methodist S. S. Picnic

One of the most delightful affairs of the season was the picnic given at the Cameron Country Club on last Thursday evening by the Men's Bible Class of the Methodist church honoring the Friendly Bible Class who won in the recent contest for the largest membership. A guest book had been provided by the class historian, Miss Delphya Scott and 139 adults registered, besides a number of children.

The men of the class had arranged a splendid lunch as follows: barbecued mutton, the famous Washington County sauce, sandwiches, pickles, onions, ice cold soda pop, blocks of ice cream and angel cake. Each guest had a generous helping and everyone enjoyed the lunch.

A song composed by Mrs. C. S. Peyton dedicated to the Men's Bible Class giving the history of the recent contest was sung by the entire class, and each stanza was outlined by Miss Delphya Scott. It was a clever take-off on each officer of the class and excited much fun and laughter.

The song follows and is sung to the tune of "Bill McDonald Had a Farm:"

Once there was a Men's Sunday School Class,
Ei i ee i o
And in that class was a president,
Ei i ee i o
'Twas Pap, Pap, here and Pap, Pap, there
And here was Pap and there was Pap
And everywhere was Pap, Pap,
Ee i ee i o.
And in that class was a secretary-treasurer,
Ei i ee i o
There was so much money
He had no leisure,
Ei i ee i o
'Twas Bush, Bush here and Bush, Bush there
And here was Bush and there was Bush
And everywhere was Bush, Bush,
Ee i ee i o.
And in the class was teacher No. one
Ei i ee i o
To teach that bunch wasn't a bit of fun,
Ei i ee i o
'Twas Smith, Smith here and Smith, Smith there,
And here was Smith and there was Smith
And everywhere was Smith, Smith
Ee i ee i o.
And in that class was teacher No. two
Ei i ee i o
To hold them down 'twas all he could do,
'Twas Doc, Doc here and Doc, Doc there
And here was Doc and there was Doc,
And everywhere was Doc, Doc,
Ee i ee i o.
And in that class was teacher No. 3
Ei i ee i o
He was as cranky as he could be
Ei i ee i o
'Twas Fletcher, Fletcher here and Fletcher, Fletcher there,
And here was Fletcher and there was Fletcher
And everywhere was Fletcher, Fletcher,
Ee i ee i o.
And in that class there was a singer
Ei i ee i o
And as a singer, he was a "humdinger",
Ei i ee i o
'Twas Mack, Mack here and Mack, Mack there
And here was Mack and there was Mack,
And everywhere was Mack, Mack,
Ee i ee i o.
And that class made an awful boast,
Ei i ee i o
Before down hill they began to coast
Ei i ee i o
'Twas boast, boast here and boast, boast there,
And here was boast and there was boast
And everywhere was boast, boast,
Ee i ee i o.
But the women's class got the men's class goat,
Ei i ee i o
Now down the stream of despair they float,
Ei i ee i o
With a biff, biff here and a knockout there
And here a slam and there a slam
And everywhere a bam, bam,
Ee i ee i o.
And Pap and Bush were running here
Ei i ee i o
And here was Smith and Doc was there
Ei i ee i o
And Fletcher was here and Conn and Mack there
And here was Joe and there was Tom
And everywhere were Sam and Bill,
Ee i ee i o.

In conclusion Mrs. Power thanked the members of the Men's Bible Class in behalf of the Friendly Bible Class of which she is teacher, for the delightful picnic given for them and challenged them to another contest at any time.

Officers of the Men's Bible Class are: Teacher No. one, Oxsheer Smith; Teacher No. two, Dr. A. S. Epperson (Doc.); Teacher No. three, F. R. Dunlap (Fletcher); President, C. S. Peyton (Pap); Secretary-Treasurer, W. H. Stafford (Bush); Singer, Mack Harvey.

Officers of the Friendly Bible class are: Teacher, Mrs. L. J. Power; President, Mrs. W. A. Bonds; Vice-President, Mrs. C. S. Peyton; Secretary, Mrs. Albert Schiller; Treasurer, Mrs. W. H. Stafford; Class Historian, Miss Delphya Scott.

Clarkson School End Successful Term

The Clarkson public school will close one of the most successful terms they have ever had tonight. The school has been under the direction of Principal H. E. Gibbs and he has been ably assisted by Mrs. H. E. Gibbs and Mrs. J. A. McKinney.

The closing exercise will be held tonight. The play "The Path Across the Hill," will be given.

St. Rita's To Give Play

The St. Rita's Circle of Cameron are sponsoring a 3 act comedy entitled "Deacon Dubbs" at the Knights of Columbus hall next Monday night. In addition to these three big acts of comedy they are giving a free dance following the performance. Those who have seen the rehearsal say that it is a play that is well worth three times the price of admission. The public is cordially invited.

How Doctors Treat Colds and the Flu

To break up a cold overnight or to cut short an attack of grippe, influenza, sore throat or tonsillitis, physicians and druggists are now recommending Calotabs, the purified and refined calomel compound tablet that gives you the effects of calomel and salts combined, without the unpleasant effects of either.

One or two Calotabs at bed-time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with your eating, work or pleasure. Next morning your cold has vanished, your system is thoroughly purified and you are feeling fine with a hearty appetite for breakfast. Eat what you please,—no danger.

Get a family package, containing full directions, only 35 cents. At any drug store. (adv)

Women, You Need Strength

Beaumont, Texas—"When I was advised to try Dr. Pierce's Favorite Prescription, after all the other remedies which I had used for feminine weakness had failed to benefit me, I was just about past going, I had suffered so much. I began taking the 'Favorite Prescription' and in a short time was feeling as well as I ever did in my life, and I am still enjoying good health."—Mrs. Mary J. Hall, 1353 Park St.

All dealers. Large bottles, liquid $1.35; Tablets $1.35 and 65c.

Send 10c to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial pkg.

OVER-WORKED

Cardui Helpful to South Carolina Lady Whose Health Gave Way.

Mrs. Letha Cabaniss, of Chesnee, S. C., "did too much," and her "health gave way." She writes:

"I took boarders and, at the same time, worked in the mill. As a result, I had to stay in bed from overwork for eighteen days. I had bad pains . . . I got clear down and was very much depressed.

"I had read of where Cardui had helped other women suffering with troubles like my own, so I made up my mind to take Cardui, myself.

"I sent and got a bottle, and it did me so much good I took it on until I got entirely well."

Cardui should also prove helpful in your case. Try it. Ask your druggist.

Klatt-Armstrong Wedding

Simplicity invested with consummate beauty one of the loveliest of the spring weddings which was solemnized last night in Trinity Episcopal church, when Miss Elizabeth Armstrong, a daughter of Judge and Mrs. W. T .Armstrong, became the bride of Dr. Emil Klatt. Trinity church was given a beautiful adornment for the event, stately gladioli, tall Easter lilies and graceful white peonies being effectively arranged against a background of filmy fern and potted plants.

Prior to the ceremony, soft music was rendered on the organ by H. T. Huffmaster, who played "The Bridal Chorus," from Lohengrin as processional and Mendelssohn's "Wedding March," as recessional.

The bridal party presented a picture that was exquisite in its arrangement of lovely colorings. Gowns of the three attendants were fashioned alike, being made of soft crepe in straight, clinging lines and banded in gleaming fringe. The neckline, which formed a slight V decolletage both in front and back was outlined in a design beaded in rhinestones and varicolored beads. All wore silver slippers, but no headdress.

The first to enter was Miss Esther Armstrong. Her gown was of pale rose and she carried a bouquet, the center of which was formed of huge rose colored peonies, around which were placed lovely blue star flowers and maidenhair fern, tied with rose illusion and with rose ribbons and blue star flowers in shower effect.

Mrs. John W. Lockhart was the second bridesmaid. Her gown was of orchid and her bouquet was similar in style to that of Miss Armstrong's, being of rose peonies and orchid star flowers, tied with orchid illusion and ribbon.

Mrs. Wilfred Ernest Eaton (Miss Josephine Armstrong) was maid of honor. Her frock was of delicate green and she carried a bouquet of rose peonies and rose star flowers tied with delicate green illusion and ribbon.

The bride was exquisitely lovely as she entered with her father, who gave her in marriage. She wore the handsome wedding robes of lustrous white duchess satin, made on simple lines, worn by her sister Josephine, whose wedding occurred a little less than a year ago. The gown was delicately embroidered in an exquisite flower and leaf design in seed pearls. A chaplet of lovely rosepoint lace, with side clusters of orange blossoms to the long court train of satin, which fell from the shoulders. The train, lined with chiffon and edged with a wide hem of rare old lace of gossamer exquisiteness, which has been in a Galveston family for many generations. She carried a large arm cluster bouquet of bride roses, delicate white star flowers and lovely maidenhair fern, the star flowers and fern falling a long shower effect.

The ceremony was performed by Rev. Raimundo De Ovies. Leland Denson attended the bridegroom as best man, while Jack Catto of Dallas and Dr. Titus Harris were groomsmen. Dr. Harris, Mr. Catto, James Thompson and Leroy Duggan were ushers.

A reception at the Armstrong home followed the ceremony. Here the same theme of simple dignity was manifested. The white flowers, gladioli, Easter lilies and star flowers were placed in baskets throughout the home, adorning in profusion the dining room where the bride's table was laid.

The table was covered with an exquisite cloth of hand-embroidered linen and rare lace. In the center was placed a wedding cake, a two-tier ring-shaped confection embedded in maidenhair fern, while from the chandelier above hung a shower of white star flowers and maidenhair and plumosa fern, tied with white satin ribbons and white illusion. Four silver candelabra held green candles, each tied with white illusion star flowers and fern.

During the evening Dr. and Mrs. Klatt departed on a wedding journey, the bride traveling in a modish costume ensemble of rose silk. They will reside in Cameron on their return.

Among the out of town guests were Mr. and Mrs. J. F. Guggolz, parents of the bridegroom and Mrs. T. D. Gresham of Dallas.—Galveston Daily News.

58 PER CENT OF U. S. HOMES ELECTRIFIED

The electric light and power industry in the United States added 1,460,360 new customers to its lines last year and now serves a total of more than 19,500,000 customers in this country. About 68,500,000 people or fifty-eight per cent of the nation's population ,now live in homes served by electricity.

Announces New Model Chevrolet

Chevrolet today announces a new model, the Imperial Landau. It is a five passenger closed car of luxurious appointments and new design, listing at $780, f. o. b. Flint.

Heralded as the aristocratic of low priced cars, the new model is equipped with a specially designed Fisher body, marking a new creation by Fisher that provides the low priced field with a smart, rakish Landau.

Contributing to the distinction of the Imperial Landau is the specially designed low-swung Fisher body with its many advancements in design from vaulted roof and oblong plate glass windows to smoking set. Hardware is of special design throughout, with garnish rails in polychrome and door seals of beaded maroon leather—in pleasing contrast with the deep-tufted taupe mohair upholstery.

Emphasizing the exterior beauty of the car is the lustrous satin black Duco finish with double bead stripes of Chasseur red. Window frames have a crimson trim on the outside and maroon within the car. The top rear quarter and the sun visor are of mouse gray textile leather. The Imperial Landau is fitted with a swing-out type windshield of one-piece design on nickeled brackets, while narrow front pillars provide for increased driving vision.

Like other Chevrolet models this year, the Imperial Landau is equipped with standard one-piece, full-crowned fenders, balloon tires, bullet-type head lamps, oil filter, air cleaner, co-incidental steering wheel and ignition lock, remote control door handles, improved instrument panel, new gasoline gauge, new dials, new radiator and running.

A factory statement points out that only the economies resulting from great quantity production have enabled the company to produce the new model at the present price. Introduction of the new model throughout the country was withheld until today to permit dealers to obtain sufficient cars to cope with the expected initial demand.

Introduction of the Imperial provides the company with eight models, six closed and two open models, comprising the most complete line of automobiles ever offered by any manufacturer of low priced cars. In addition to the passenger models, the company is also building commercial cars in both ton and half ton sizes.

Although the factory has been in production on the Imperial for several weeks, the formal announcing of the

Why Firestone GUM-DIPPED TIRES Wear Longer

WE recently were given the tremendous advantage of having the mammoth Firestone factories brought to us. In Tire Educational Meetings we were shown, by means of motion pictures, charts, tire samples and complete engineering data, the details of Firestone tire design and construction—and how Firestone and Oldfield tires and tubes are made in the world's most efficient and economical rubber factories.

Firestone pioneered the original low-pressure tire and made it practical by Gum-Dipping. The motion pictures showed us how the cords of the carcass are dipped in a rubber solution, thoroughly saturating and insulating every fiber of every cord with rubber. Simple demonstrations and tests illustrated the great advantage of this process, which supplies the extra strength to withstand the extra flexing strains of low-pressure construction—one of the reasons why Firestone Gum-Dipped Tires are establishing such unheard-of mileage records.

We learned why the Firestone Balloon Tread gives extra safety, comfort and long wear. We were shown why Firestone, from the very beginning, designed and continue to use the round Balloon Tread, minimizing "shoulder breaks", so destructive to tires. The excess rubber at the edges of a Balloon Tread is wasted—actually detrimental to tire mileage. In the Firestone Tread the small units and sharp projections are scientifically placed to permit easy flexing, resulting in extraordinary riding comfort.

Come in and let us put a set of these Gum-Dipped Tires on your car—you can forget about tire trouble. Quality is higher than ever before—prices are lowest in history. Buy now!

BUCKHOLTS MAN IS HEAD FARM BUREAU

J. H. REAVES, VICE-PRES., H. O. CLARK, SEC.-TREAS., AND W. W. KYLE, REPORTER

Directors of the Milam County Farm Bureau Cotton Association for the coming year were elected by members present at the meeting of the members in the District Court room here last Saturay. Officers of the board were chosen as follows: R. P. Lehman, Buckholts, president; J. H. Reaves, Ben Arnold, vice-president; H. O. Clark, San Gabriel, Secretary-treasurer and W. W. Kyle, Hicks, reporter. Other directors are John Stass Bryant Station; J. A. Bailey, Jones Prairie; R. A. Wall, Baileyville; J. L. Modesette, Thorndale; W. W. Blocker, Tanglewood; P. E. Holder, A. F. Robinson, Hanover. Of these R. P. Lehmann, W. W. Kyle, J. H. Reaves, J. A. Bailey and John Stass were re-elected from last year.

The meeting last Saturday was for the purpose of informing the members of the past season's operations and of future prospects. In discussing the election of directors for this year H. O. Clark said that as the Association handled business in this County last year in the neighborhood of $100,000.00 not only should county affairs be looked after by men from all over the county but the farmers themselves should keep up with activities and take an interest in the work.

Mr. Miller of Dallas outlined and discussed the plan of group insurance which is a service to the members of the Texas Farm Bureau Cotton Association by the Texas Farm Bureau Federation, whereby they may secure old line, legal reserve insurance protection at wholesale prices.

A meeting is to be held this Saturday at 2 o'clock in the district court room for the purpose of choosing delegates to go to Bremond for the convention there May 14th for the nominations for the state director of the Texas Farm Bureau Cotton Association from district No. 7.

W. T. Hefley, traveling salesman, spent the week end in Cameron.

Mexican Arrested For Stealing Trousers

A Mexican was arrested Friday morning for stealing a pair of trousers from the W. B. Levy Store. While another man was buying a hat he concealed the trousers under his jumper.

In a short time the Mexican was arrested and identified as the one who took the trousers. He pled guilty and was fined.

Rockdale Boy Now in China as Member of U. S. Marine Force

Lee Bartlett, son of Mr. and Mrs. J. P. Bartlett of this city, is now with the American Marines in Chinese waters, having sailed with his command from San Francisco about three weeks ago.

Bartlett joined the Marines less than two years ago after leaving Rockdale high school in his senior year. He received his early training with the Marines at Newport News, Virginia. Bartlett enlisted in search of adventure, and the announcement that he is now in Chinese waters indicates that he may be getting what he is looking for.—Rockdale Reporter.

Dossett Memorial Home Dedicated

Dedicatory services were held Tuesday afternoon in Waco by Rev. W. P. Witsell former rector of the St. Paul's Episcopal church in Waco, now of Little Rock Arkansas, who conducted the sacred services when the new brick Dossett Memorial Baby Cottage was dedicated to the memory of the late A. J. Dossett, a former Cameron citizen. This is a unit of the Evangelia Home and is a gift of Mrs. A. J. Dossett in memory of her husband, A. J. Dossett, who was a vestryman in St. Paul church.

The cottage will accommodate fifteen babies ,has a large play room, dormitory, nurse's room and bath, children's bath, kitchenette and is connected overhead with a cement runway with the Evangelia Home proper.

To encourage marriages in Berlin the board of alderman has approved an ordinance exempting jazz and orchestral music at wedding celebrations and the marriage feast from the municipal entertainment tax.

ORDINANCE

An ordinance to make it unlawful to run railway engines or trains over railways in the city of Cameron between the Eastern and Western, and Northern and Southern boundaries at a greater rate of speed than 8 miles per hour; Provided that if such railways shall maintain such electric crossings of the public streets over such railways as may be designated by the City Council that then this ordinance shall not be effective as to any such railway and provided a penalty for violation of such ordinance, and declaring an emergency.

Be it ordained by the City Council of the City of Cameron:

1. That it shall be unlawful for any person to run or cause to be run any railway engines or train upon any railway track, or switch, in the City of Cameron between the eastern and the western boundaries of the corporate limits of said City, and between the southern and northern boundaries of the corporate limits of said City, at a greater rate of speed than eight miles per hour; provided that if any railway corporation owning and operating railway tracks and switches within said corporate limits shall install and maintain such electric signals, or gates, or watchmen at the crossings of the public streets of said City over the line, or switches of such railway corporation, as may be designated by the City Council, then this ordinance shall not be effective as to the lines and switches of said railway Company. Any persons who shall violate this ordinance shall be guilty of a misdemeanor for each and every offense and shall be fined in a sum not less than Five Dollars and not more than One Hundred Dollars.

2. The fact that there is no adequate ordinance covering and regulating the foregoing subject matter creates an emergency and public necessity that the rule requiring that all ordinances be read on three several days be suspended, and the same is hereby suspended and this ordinance shall take effect and be in force from and after its passage and legal publication.

Passed this the 19th day of April, 1927.

Approved this the 19th day of April, 1927.

JUDD G. DAVIS,
Mayor, City of Cameron.

Attest:
J. C. Joseph, Secretary.

Renew Your Health by Purification

Calotabs are the greatest of all system purifiers. Get a family package, containing full directions. Only 35 cts. At any drug store. (Adv.)

SOUTHWEST LEADS IN NATURAL GAS INDUSTRY

The five states of Arkansas, Kansas, Oklahoma, Louisiana and Texas which make up the Southwest Division of the Natural Gas Association of America, are now producing approximately one-half of all the natural gas produced in the United States.

Only a few years ago the natural gas business of the country was dominated by the old states of the East. Oklahoma now leads all the states in the amount of natural gas produced while California i ssecond, West Virginia third, Louisiana fourth, Texas fifth and Arkansas seventh.

The aggregate amount of capital invested in the production ,transportation an ddistribution of natural gas in Texas is two hundred million dollars. Texas according to latest statistics has 252 communities that enjoy natural gas for fuel.

All but three of the larger cities of Texas have natural gas service.

A large amount of the natural gas produced in this country is processed for natural gasoline. Texas produces 19 per cent of the total natural gasoline produced in the United States.

New York City boasts a onearmed paper hanger. He is sixty years old and has followed his calling for 45 years.

Rudolph Bowling--

(continued from page one)

alleged due plaintiff for the years 1910, 1915, 1918 through 1925 including poll, school and special taxes together with interest penalties and costs, allege, levied, assessed and rendered against the lands and lots hereinafter described and the said defendants as owners and claimants thereof and the said amounts, allege, charged against each tract or lot of land as herein described constituting a lien in favor of said plaintiff against the same, and the said land and lots lying and being situated in the County of Milam, State of Texas towit: and then follows a description of certain tracts or parcels and lots of land, and reference is here made to plaintiffs citation for a full description of same, and plaintiff further prays for the foreclosure of it's alleged, lien against said property, to satisfy said taxes, interest, penalties, and costs, for an order of sale, writ of possession, all costs of suit and for general and special relief all of which will more fully appear in plaintiffs original petition now on file in this office and you are further commanded to deliver to each of the above named defendants in person a true copy of this citation.

In this case, suit No. 561, there has been filed a false and erroneous claim and demand for taxes in my name or against the land and lots and the person of Rudolph Bowling, named the defendant in this suit No. 561, in order to answer plaintiffs petition and protect himself and the land against the action by plaintiff praying for judgment against the defendant as set forth in plaintiff's citation, will plead the authority of the God of all things who is the Lord Almighty God or the Living God. Through or by the Word of this God, who is the Savior of God, Jesus the Christ the Living Son of God, the faithful witness in Spirit and truth, to worship and serve the Lord Almighty God and Him only. This God made or created me, the man Rudolph Bowling, and I have a reasonable right to worship and serve Him in My person and being and this is in accord with the word of God, "Thou shalt worship the Lord God and Him only shalt thou serve,' and in this command I have a reasonable right to worship and serve the Lord Almighty God, as the creator of all things and the owner thereof, and this is also in accord with the Word of God, therefore as I go forth as a man in the Guidance of the Spirit of Truth to fulfill the obligation of my contract to worship the Lord Almighty God and serve Him only, I have a reasonable right to the protection of this God in all His Creation, against any person, claim, law, spirit or influence seeking to prevent or impair the free exercise of my religion to worship the Lord Almighty God and serve Him only in all His Creation, and I have a reasonable right to call forth the testmony of the Lord Almighty God, to visit justice and get Him Honor, for the life of His Son, upon any person, claim law, spirit or influence seeking to prevent or impair the free exercise of my religion to worship the Lord Almighty God and serve Him only in the way He Himself directs me and this is also in accord with the Word of God. Therefore, I pray that citation be had for the following witnesses to appear in person at the end and on the opening day of this trial in suit No. 561 and thereafter during the continuance of same as the case may be, to testify in my favor. 1st. The person called the God of all things or the Lord Almighty God; He is the Father of the Man, Jesus the Christ, the Living Son of God, the Creator of all things. 2nd. The Person, Jesus the Christ, the Living Son of God; He is the Savior of God and Man. 3rd. The person named the Holy Ghost and Spirit of Truth; He is also the Son of the Living God and is God's Word in Truth. By the testimony of these three witnesses, I would show: That the Almighty God created all things, and He is the owner thereof, that the value of the things He created is not as dollars and cents or as worth so much in money, but the value of the things God has made or created is, for it to accomplish the purpose for which He created or made it, and right here I will relate a circumstance that will possibly help in a better understanding of my meaning. A man came to me one day and said, "You have a cow that I want and that cow is worth thirty dollars and I have the thirty dollars right here in my pocket and that is all the cow is worth so let me have the cow." I replied that I did not want to let him have the cow and he started to get mad about the matter, but I said, "My friend, I do not wish to quarrel with you about this matter, but thirty dollars is not the value of the cow to me, but if you are honest in your belief that it is, just keep the thirty dollars you said you have in your pocket; what do you want with the cow, if you have already the value of her in your pocket?" He looked at me a little while and then went on his way. The cow was giving milk and we were using the milk in our living to worship and serve God.

I would also show by the testimony of the above named witness that the Lord Almighty God did and will place in the name of Rudolph Bowling, certain lots, tracts or parcels of land and other property as the private land and property wherein and upon the person, Rudolph Bowling, does worship and serve the Lord His God, that some of the tracts, lots and parcels of land so placed in the name of Rudolph Bowling by the Lord Almighty God, is the very land described in plaintiff's citation claimant thereof to accomplish the purpose for which the Lord Almighty God created it. I would also show by the testimony of the above named witnesses that money is not the value of the land in the sight of God, for God says the silver and gold are mine. I would show that no claim that money is the value of the land is a false claim in the sight of God.

I would also show by the testimony of above named witnesses that plaintiff's petition and against the said defendants as owners and claimants thereof, and the said amounts charged against each tract or lot of land as therein described constituting a lien in favor of said plaintiff against the same, is in error, because it is a prayer asking for the false valuation of the land and property, it is a prayer asking for the levy, assessment and rendition against the lands and lots described and said defendants as owners and claimants thereof to pay taxes, interest, penalties and costs by reason of such false valuation, to defendants damage is a prayer to take defendant's private property for public use without just compensation, it is a prayer to prohibit the free exercise of the religion of defendant, Rudolph Bowling. Therefore I can not grant the prayer, petition and demand of plaintiff as asked for.

The living Lord Almighty God forbids it.

The living Word of God forbids it.

The Holy Ghost or Spirit of Truth forbids it because it is expost facto action seeking to annul the command of God, from the very beginning and so I am sending this writ addressed to the Judge of District Court of Milam County, Texas or any judge of these United States of America, care of Penn Wolf, Clerk of District Court, Milam County, Texas to be filed in answer to plaintiff's petition, suit No. 561 in order that the living Almighty God may visit Justice and get Him Honor for the life of His Son, Jesus. The Living Savior of God and Man, to worship and serve God in Spirit and Truth, and I pray for the judgment against the demand of plaintiff as filed in his petition for a writ of injunction restraining plaintiff in his demand for the collection of the taxes, interest, penalties and costs, order of sale writ of possession and all costs of suit, claimed on or by reason of a compulsory money valuation of the land, lots, property or person of Rudolph Bowling named defendants in this suit, and I further pray for general and special relief and such other judgments as may be good and proper for the free exercise of my religion to worship the Lord Almighty God and serve Him only. Therefore have you this writ filed in said court and cite or summon the witnesses I have named to be before said court in person, on the opening day thereafter as the case may be unto a final hearing of same. Herein fail not, and have you then and there before said court on the first day of the next term thereof this writ with your return thereon, showing how you have executed the same.

Signed this the 6th day of April A. D. 1927,

RUDOLPH BOWLING,
Defendant Suit No. 561

Thorndale Hot Water Wells To Open

The remodeling of the Marvel Mineral water baths near Thorndale is nearing completion. The baths will have a capacity of 140 baths in eight hours. The service will be the same as any first class hot mineral water health resort which includes besides the tub baths, showers, vapor baths, cooling rooms and alcohol rubs.

The opening date will be announced in the near future and the public will be cordially invited to attend.

History Club Makes Visit To Austin

The Yoe High History Club left this afternoon for a two day trip to Austin. They will inspect the capital and other interesting places in that city. At one of their dinners they will hear Governor Moody, Representatives and Senators who have planned a great treat for the club. The Yoe High History Club this year has been one of the most active clubs in the State and is the first club to undertake a trip of this sort. They will return Friday night.

100,000,000 REASONS

WHY WE SAY

'Buy Goodyear Tires'

The World's Greatest Tire is a GOODYEAR

Here you see the Goodyear Tire that is speeding Goodyear sales all over the country.

It is the product of the great experience obtained in building millions upon millions of passenger car tires.

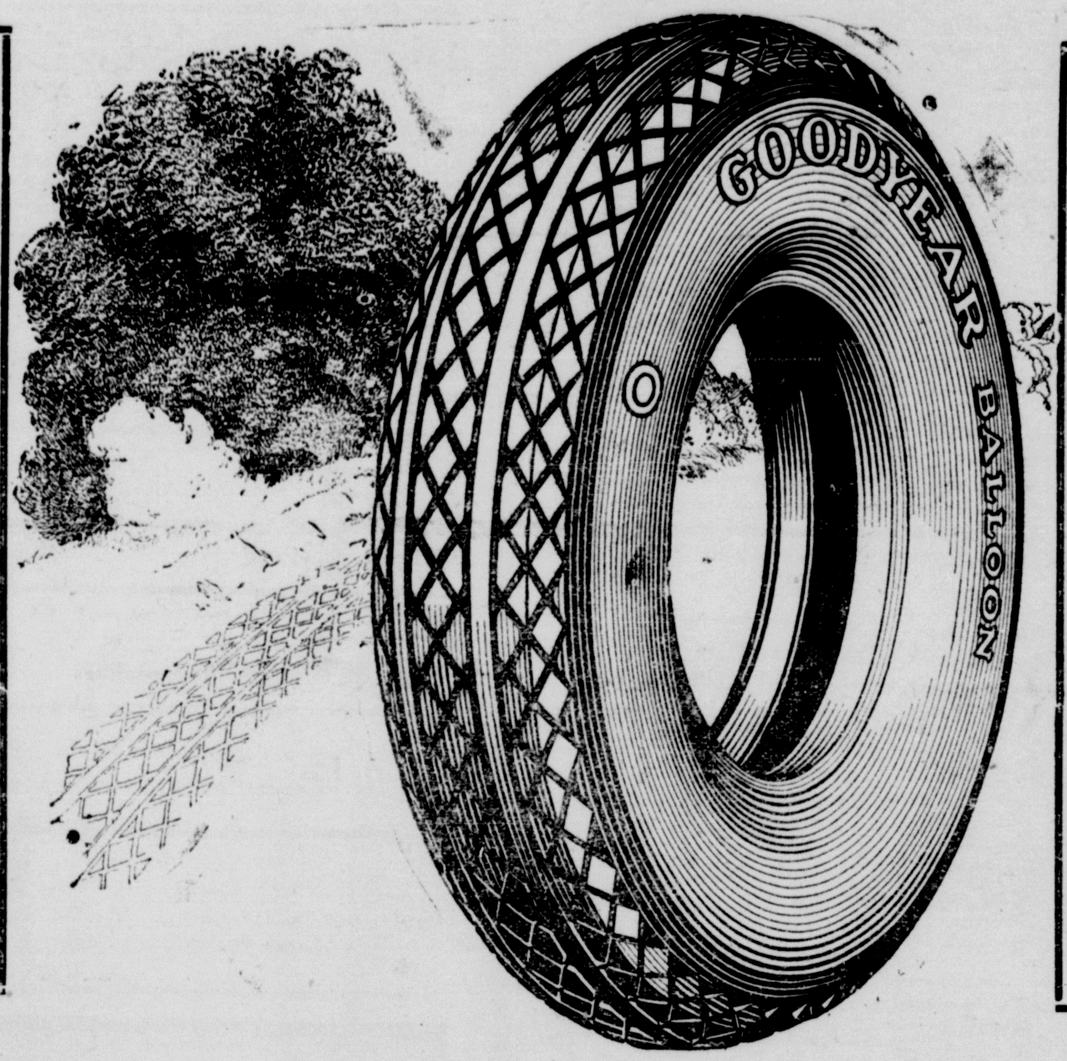
It is the new-type All-Weather Tread Goodyear Supertwist Balloon!

Until this new type Goodyear you never saw a quiet, smooth-running balloon tire with traction equal to this. Safe, sure-footed, this tire has in its tread's center sharp-edged diamond-shaped blocks which seize, grip and hang on.

Until the coming of SUPERTWIST cords, casing fatigue and shoulder-break were the arch-foe of balloon tire performance. Since Goodyear developed this amazingly elastic and durable material these troubles have virtually disappeared.

Until now "cupping" and "pot holes" were characteristic of tread wear in balloons. The specially-designed new-type All-Weather Tread meets this issue squarely and insures long, slow, even wear.

These are not imagined benefits. They are tested and proved, proceeding directly from the new-type tread with its heavily ribbed All-Weather pattern and the stout and springy SUPERTWIST cords of which the casing is made.



Whistles screamed at Akron, O., the other day as the 100,000,000th Goodyear pneumatic motor vehicle tire was finished.

A world's record.

Tires enough to fill a train of 55,524 cars—a train 420 miles long!

Tires enough to make a chain twice around the world!

The next time you hear anybody say that "all tires are alike" think of that record—ONE HUNDRED MILLION!

Let it remind you that for 10 years, now, Goodyear has made and sold more tires than any other company in the world.

Realize, too, that Goodyear has the pick of the world's materials—using nearly one-seventh of all the crude rubber that is produced annually—50 per cent MORE THAN ANY OTHER MANUFACTURER!

We want you to buy Goodyear Tires because we want to keep your patronage and good-will.

When we offer you a Goodyear Tire there are one-hundred million good reasons why we do so.

For every Goodyear Tire that has gone before it has done its part in establishing the world-wide confidence that has won for Goodyear the world's production record.

100,000,000 reasons why, today, Goodyear tires are the kind we recommend.

HERE IN YOUR NEIGHBORHOOD WE DELIVER THE SERVICE GOODYEAR WANTS YOU TO HAVE

In order to represent Goodyear creditably in this vicinity we maintain facilities for giving every motor car owner typical Goodyear Service. All that you have to do to enjoy the economy of this assistance is DRIVE IN AT REGULAR INTERVALS (say, every week or ten days) AND LET US LOOK OVER YOUR TIRES, MAKING CERTAIN THAT THEY ARE PROPERLY INFLATED AND WEARING PROPERLY. We will inspect wheels for alignment, tires for cuts, see that the valves are in good shape, that your spare is ready for use—in fact, do everything possible to help you prevent wasteful wear and delays. This service costs next to nothing—no charge except for actual repairs—and it enables you to get out all of the many, many miles that Goodyear builds into every tire.

The Complete Goodyear Line Includes a Tire for Every Car and a Price Range Enabling Every Owner to Enjoy the Advantages of Riding on Goodyear Built Tires.

"More People Ride on GOODYEAR TIRES Than Any Other Kind"

WAYS TO BLOCK CROOKED PROMOTERS

By W. R. MOREHOUSE
Public Relations Commission, American Bankers Association

(This is one of a series of articles exposing the wiles of sharpers who are after your money.)

MANY reliable corporations, firms and individuals are engaged in developing mining properties, drilling for possible new oil wells and promoting new inventions and enterprises. On the other hand many unreliable persons are ostensibly engaged in the same pursuits, but in reality are only promoting frauds. Therefore, every investor should first divide the sheep from the goats before he hazards his savings. Because there are many dishonest manipulators using mining, oil, invention and promotion terms to deceive does not mean that all promoters in these fields are crooked. The truth is, there are many trustworthy men engaged in promoting enterprises that are honest investments. The problem is to know the difference between promoters of the reliable type and the high-pressure variety. The former are engaged in legitimate business. The other group is engaged in fleecing the public.

W. R. MOREHOUSE

The number of those who deliberately scheme to defraud is large and they are shrewd and deceitful. For this reason those who cannot afford to lose their savings should not trust entirely to their own judgment in making investments.

In order to divide the sheep from the goats—to distinguish between reliable and unreliable promoters, to tell the good investments from the worthless—the inexperienced investor should consult his banker or let the National Better Business Bureau, whose headquarters are in New York City, advise him. It costs nothing to get such advice from either source. It is safe to say that if those who have lost their savings through fraudulent schemes had followed this simple course they would still be in possession of their money.

Get the Facts

Invariably, get the facts and take no substitute. There is nothing better and nothing just as good as the facts when it comes to withdrawing your savings from the bank and investing them. The facts about an investment either strengthen its position or show it up to be risky—oftentimes too risky for the person who cannot afford to lose.

Good Advice that Prevented Disaster

New schemes to defraud are being hatched daily. The unscrupulous promoter never sleeps but is continuously plotting new methods of attack on the savers' hard-won accumulations. The liberties he takes with the law and the schemes he designs for belittling the sound advice of responsible persons makes it even more essential for investors to get the facts.

Remember that anything that is worth investing in is worth knowing about as to its safety, its income, and its marketability. Any investment which is enshrouded by a screen of glowing promises or is so complicated that neither you nor your banker can fathom it and get the hard facts isn't an investment you can afford to put your money into.

Make it an unbreakable rule to get all the facts, whether the investment be large or small, and you will save yourself the heartaches and bitter disappointment of losing your savings.

Millions of dollars which have unfortunately been lost through poor investment might have been saved if the investors had taken time to investigate before investing. There is always need for capital in safe, honest business and so great is the legitimate demand for investors' funds that not one cent need be wasted by them on fraudulent schemes.

Don't Trade Good for Bad

Don't exchange your investments for others you know nothing about. Some time you may be approached to make a trade by a plausible person claiming to have better investments to offer than those you have. Recently a woman owning a block of gilt-edge public utility stock was approached by two smooth sharpers and urged to exchange it for stock in a fruit company which, she was told, was not only very valuable then but would increase rapidly in value and soon make her independently wealthy. Fortunately she told her neighbor about her offer. It happened that the neighbor had recently been defrauded in a similar way. She advised the second woman to report her offer to the local better business bureau. Having handled many similar situations the bureau instructed the woman to make an appointment for the traders to meet her in her home.

They were on hand at the appointed hour. With the cunning of expert swindlers they proceeded to inveigle her stock away from her, assuring her that if she exchanged her public utility stock for that of the fruit company there was no doubt she would become very rich. But just as they were spreading out before her a beautifully embossed stock certificate the bureau's detective stepped out from his place of concealment and told the swindlers he had come prepared to take them for a ride in his car. They protested loudly and even struck at him, but experienced as he was in handling persons who resist arrest he soon had them handcuffed together.

Investigation revealed that the certificate of stock of the fruit company was fictitious. No such company had ever been organized. The evidence also disclosed that some certificates had already been issued and exchanged and there were a large number more ready for future use whenever a trade could be arranged.

Literally thousands of inexperienced investors are being swindled out of their good investments in such trades. It behooves all persons who have good investments not to exchange them without first getting all the facts from their banker or other person fully qualified to advise and protect them.

(A future article will tell of more schemes by which people are defrauded of their savings.)

BANKERS HELPING

Three banks in South Carolina have inaugurated a plan to provide free of rent for two years a centrally located place to be used by the farmers of Greenville and neighboring counties for the purpose of establishing a creamery, a canning factory and a farm woman's club. The idea is to get the farmers to raise livestock, to raise their own food and feed and to have something extra to sell. The canning factory is intended to utilize the surplus garden and fruit products, and the club rooms for getting the support and co-operation of the farm women.

Georgia bankers have made great strides in furthering a diversified farming program the past year. They induced farmers to sow fifty-five carloads of vetch seed, furnished locomotives [illegible] supplies for the coming season, and [illegible] of $[illegible] furnished by a bank in Atlanta. A banker-farmer alfalfa demonstration was held at the college and attended by 250 bankers and farmers. Alfalfa acreage has increased from 1,800 to 5,000, the demonstration being credited with 50 per cent of this increase. This year the state has produced 12,000,000 more bushels of corn than last year, has sold 50 cars of truck, $2,000,000 worth of pecans, and has produced 150,000,000 pounds of meat and enough corn and hay for its own use.

AS LABOR SEES BANKS

Vast sums of money are lost each year by wage-earners through investments hastily entered into. With the confidence of the wage-earners, banks will be enabled to more accurately advise such investors and thus save money which might otherwise be lost by unwise speculation. — William Green, President American Federation of Labor.

Corn Show To Be Held At Rockdale Oct. 1st

George Banzhaf, County Agent, announces that there will be a corn show at Rockdale about October 1, 1927 and prizes will be given by the business men of Rockdale. Corn exhibits must consist of ten ears each.

All boys contesting in this corn show must be between 10 tnd 20 years of age, and members of the regular organized corn club of Milam County.

Yellow Dent	5.	3.	2.
Mixed Varieties	5.	3.	2.
Best single ear any variety	5.	3.	2.

Schumacher's Win Opener From Lions

The Schumacher club won their opener from the Lion's Club 9 to 1. The game was featured by much argument between the managers of the two clubs over the elegibility of certain players. These arguments are very boresome to the fans and it is hoped that these will not mar any more games of this season's schedule.

Alford was on the mound for the Schumacher's and he allowed only five hits and struck out ten men. Tindall was on the mound for the Lion's club and gave up nine hits and struck out eight men.

	R	H	E
Schumacher	9	9	2
Lion's Club	1	5	4

The K. P's and North End meet next Friday afternoon at five o'clock. If you haven't gotten that season ticket get it at once and come out and back your favorite club.

Baylor Volunteer Band At Walker's Creek On Sunday

Come and meet your old time friends and enjoy yourself as of yore Sunday, May 15, because on that day Walker's Creek will have it's annual all-day meeting. Be there for the whole day, for everything is ready to take care of you and to make it a day you will long remember. The mothers are going to spread dinner, those good old dinners, just like they used to do and if you want to come in your buggy or wagon be sure you bring a quilt along to spread under the wagon for the baby to lie on.

The only thing new for this occasion will be the program. The Baylor Volunteer Band of Baylor University, Waco, will be there for the whole day. They are coming in their own truck. So far as the pastor knows, this is their first trip to our County. You simply can't afford to miss hearing them. They are young people, full of enthusiasm and ready to work for the Master.

Everybody is invited to come and be our guests for this special occasion.

Shirt Sale Big Success

The Shirt sale on last Saturday at Max Collins was a big success according to Mr. Collins. At the end of every hour during the day a shirt was given away free. Those getting a shirt free were: J. D. Fikes, J. F. Popp, Oscar Schiller, Bassett Watson, Ox Newton, John Gamble, Glenn Flinn, Paul Watson and W. H. Henley.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.

L. C. Estelle Buys Local Insurance Firm

L. C. Estelle, former citizen of Cameron, has purchased the Milam Mutual Aid Association from Mack L. Harvey. He took over the business last Monday. Mr. Estelle makes his home in Belton now but his many old friends here wish him well in his new business.

Mr. Harvey is not getting out of the insurance business but will now devote his entire time to The Home Owners Insurance Company, a mutual aid association that he is the head of with headquarters in Waco.

Texas Progress Notes

Edinburg—New telephone lines connecting this city and the Valley with San Antonio are to be built this summer.

Paducah—A new substation of the West Texas Utilities Company here is now completed. Matador and Roaring Springs will be served thru here.

Amarillo—An additional unit of the Southwestern Public Service Company's electric engineering plant will be constructed at once. When completed the company will have capacity of 15,000 kilowatts here.

Midland—Many improvements to the local telephone plant and service are under way here.

Greenville—A new modern telephone switchboard is being installed here by the telephone company and other betterments of service are under way.

Pecos—The new oil field town of Winkler now has electric light service.

Dallas—According to the United States Geological Survey electric public utility plants in Texas used 19,108,220,000 cubic feet of natural gas as fuel in 1926. This is one-third of the total so used in the United States during the year.

$1,000,000 To end Colds

The 24-hour way

There's a way to end colds so efficient, so complete that we paid $1,000,000 for it. That way is HILL'S. It stops colds in 24 hours, checks fever, opens the bowels, tones the entire system. The millions who know it always rely on it. Go start it now.

A GOOD PLACE TO LIVE

Work for and with your home town. Beautify it. Improve it. Make it attractive. Help make it the kind of a town that you really want to live in.

The best advertisement of your business is the town you live in if it's the kind of a town it should be.

Towns get reputations as well as men. Repetition makes reputation. Make your town's reputation one that will attract favorable attention. It will thus draw people and where people come there is prosperity.

Help rid Cameron of one eyesore after another. Clean up vacant lots, and plant them in gardens. Make a cluttered up yard a disgrace and an unpainted house a reproach. Cut the weeds, clean the streets and fix the sidewalks. Wash the store windows and discountenance the flaring sale sign. Be fair to your public officials and pay your taxes without grumbling so that they may give the best service possible back to you.

Make public opinion too hot for those who knock, refuse to co-operate for general good and who will not help.

Our town should be one where folks are friendly, where progressiveness is appreciated, where good roads make it accessible, where proper sanitary methods are conducive to healthfulness, where attractiveness is considered an asset, where education fits for the future, where recreations are plentiful for all, where government is efficient and popular, where living conditions are good, where the helping hand is extended to the unfortunate, where employment is plentiful where investments are sound, where intolerance is unknown, and church spires point the way to Heaven.

That's the kind of a home town we want.

DEADLY

Traffic accidents kill a few thousands of men, women and children annually, causing the setting up of extensive safeguards for the protection of human life.

A citizen is killed by assassins in a foreign land, and diplomatic relations between two nations are strained and the indignation of millions is aroused to the point of violent outbreak.

An epidemic of infantile paralysis breaks out with the resultant loss of life of several hundred children, and the nation organizes every resource to combat the disease.

But germ-carrying insects, which yearly cause the death of millions of human lives and destroy vast quantities of man's food supplies, attract the concern of one or two governmental departments, provoke an occasional "swat the fly" or "clean up" campaign and disturb not the public's peace of mind. The mosquito and fly are the most destructive enemies of man. They convey to man malaria, sleeping sickness, cholera, typhoid and other deadly diseases. Other insects destroy wheat and cotton crops, murder man's livestock or contaminate food supplies. And the only defense the public makes against his most powerful and destructive enemies is to screen in his house and spray his fields and orchards.

STRAW HATS AND HISTORY

The shop windows are blooming with straw hats of the masculine variety and there are many bold spirits who have donned the summery skimmers, defying good form and bad weather at the same time. May is the zero hour for going over with a new topper, and perhaps the sennits and milans, Bangkoks and Panamas, will take an added significance if some of their history is recalled.

Straw hats have been generally used in the United States for only 60 years, but their history reaches far back into antiquity. Mercury, messenger of the gods, and himself something of a god in his own way, is always shown wearing the commonest sort of a straw hat. Praxiteles' statue of June, which dates back to 350 B. C., is crowned with a "stephanos", which is another name for a straw kelly.

In more recent times investigators have discovered that Edmund Spencer, author of the "Faerie Queene" disported in a regulation straw hat in Elizabethian days, and the eighteenth century poet, Thomas Gray, of the "Elegy," boasted that his straw top piece was lined with green.

Love is blind. It's spring. Help the blind.

Sometimes a pessimist is the son of an optimist.

First thing the early bird seems to get is the lawn mower.

A fetching costume is any costume that will fetch a man.

One time you certainly pay as you go is when you ride on a train.

An auto is a necessity unless you want to get run over by one.

The folding card table would be a great invention if it practiced moderation.

With some people religion is merely a kind of rabbit's foot to keep away bad luck.

New Yorker's never stand to watch the train come in; if they stand to watch somebody work.

Flattery isn't at all essential unless you are trying to marry a rich old widower.

Deal with the manager when possible. Underlings may be as unreasonable as you are.

Fecundity makes the common people victorious, and some day small cars may overcome locomotives.

Women will not be men's equal until there is a bride shortage instead of a bride-groom stortage.

YOEVILLE, MINIATURE TOWN MADE BY H. E. CLUB

When our H. E. Club was formed at the beginning of school, this year, each member eagerly decided to put forth her best efforts towards the club work. The greatest aim for the club was to establish a miniature city. The consummation of our aim has been realized.

Yoeville, the name of our town, is situated in one of the rooms of the Yoe High School building. The foundation of the city is two large pieces of sheetrock. The city enjoys the conveniences of paved streets, a running water system and an electric lighting system.

Beautiful homes are in the residential section. Smooth and green lawns, flowers and pruned trees help to enhance the beauty of the homes.

The business section of the town consists of the following buildings: a grocery store, a drug store, a dry goods store, a lunch stand, a novelty shop a clean and very inviting looking "Palace of Sweets", a furniture store, a barber shop, a Purina Chow store and a very handy filling station.

City property consists of the following: an attractive church, a depot, a school house and a very pretty park.

I can say for each club member that, under the excellent guidance of our most efficient H. E. teacher, Miss Hensley, we indeed enjoyed the making of this small city.

Club Reporter.

Methodist Missionary Society

The Methodist Missionary Society met at the church Monday afternoon for Mission Study. A short business session was held and the vice-president, Mrs. W. O. Triggs presided. Mrs. Tate led the devotional from the 28th chapter of Matthew. Mrs. Jeff Kemp and D. H. Slaughter were elected delegates to the District meeting of Missionary Societies at Marlin May 18. Mrs. Joe Lindsey and Mrs. Willard McCall were elected alternates.

Mrs. Henry Davis very attractively gave the story of the song, "I Love To Tell the Story." She also presented the lesson on the 3rd chapter of "Moslem Women."

Mrs. Kemp closed the study hour with a prayer.

A social hour followed with Mrs. Tate a shostess. A delightful tim was enjoyed. The hostess served punch and angel cake.

The meeting next Monday afternoon will be held in circles.

EDITOR COOKE BACK ON THE JOB IN ROCKDALE

Editor John E. Cooke is back at his desk in the Reporter office after a three months enforced absence at a Temple hospital, where he underwent a major mastoid operation of the right ear. His friends here and over the state, will rejoice with his constructive newspapermen, over his recovery from so serious and delicate an operation. Wm. H. Cooke, a student in journalism, "carried on" during his father's absence, and for the past few weeks, "Reporterman On the Shelf," substituted from a distance, an optimistic column, "Reporterman On the Street."—Temple Telegram.

Miss Susan Pope of Abilene visited friends in Cameron this week.

DR. W. B. CALDWELL AT THE AGE OF 83

Old Folks Need a Mild Laxative –Not a "Physic"

Most men and women past fifty must give to the bowels some occasional help, else they suffer from constipation. One might as well refuse to aid weak eyes with glasses as to neglect a gentle aid to weak bowels.

Is your present laxative, in whatever form, promoting natural bowel "regularity"—or must you purge and "physic" every day or two to avoid sick headache, dizziness, biliousness, colds, or sour, gassy stomach?

Dr. Caldwell's Syrup Pepsin helps to establish natural, regular bowel movement even for those chronically constipated. It never gripes, sickens or upsets the system. Besides, it is absolutely harmless and pleasant to take.

Buy a large 60-cent bottle at any store that sells medicine or write "Syrup Pepsin," Monticello, Illinois, for a FREE SAMPLE BOTTLE and just see for yourself.

***Dr. Caldwell's* SYRUP PEPSIN**

Goodyear Establishes New Production Mark

"When the hundred-millionth Goodyear tire was produced in April by the Goodyear Tire and Rubber Company at Akron, Ohio, it marked a manufacturing accomplishment without parallel in the rubber industry," according to Mr. Hnubert Hefley, Goodyear dealer at Cameron.

"This achievement is of particular significance to the tire user and car owner," Mr. Hefley said, "for into every Goodyear tire goes the experience gained in establishing a world's record in tire production, and the skill of the largest development and engineering organization in the tire business.

"In addition to one hundred million pneumatic tires, Goodyear has produced more than three million solid and cushion tires and thousands of bicycle and carriage tires in the early years of the company's existence.

"Beginning in 1898 the Goodyear organization started a line of unbroken developments in tire building which included the first practical cord tire, the pneumatic truck tire, and the company's largest product, a scientifically designed balloon tire which was placed on the market in January of this year after two years of development and road service on the Goodyear test car fleet.

"The widespread acceptance of this new tire has been remarkable, more than one million being sold in eighty days in all parts of the world," Mr. Hefley declared.

According to the local Goodyear dealer it would require 55,524 freight cars composing a railroad train more than 420 miles long to transport the one hundred million tires built by Goodyear.

Zarosky-Cabron

The marriage of Miss Annie Cabron to Syril M. Zarosky was solemnized Tuesday morning at the Catholic church in Cameron, at 8:00 o'clock, Rev. Father J. Moriarity reading the impressive services with the ring ceremony.

The bride is the daughter of Mr. and Mrs. Julian Cabron of Burlington. She was beautifully dressed in a modish costume of Delf blue georgette with accessories to match and carried a bridal bouquet of pink rosebuds.

The groom is the son of Mr. and Mrs. Frank Zarosky of near Cameron, is a splendid young man, and is engaged in farming with his father.

Immediately after the ceremony a delightful wedding luncheon was served at the home of the bride's parents, later the happy couple left by motor for a week's visit to Galveston and other points. They will return and begin housekeeping in a neat little bungalow ready furnished.

NOTICE IN PROBATE

The State of Texas

To the Sheriff or any constable of Milam County—Greeting:

You are hereby commanded to cause to be published once each week for a period of three successive weeks before the return day hereof, in a newspaper of general circulation, which has been continuously and regurlarly published for a period of not less than one year in said Milam County, a copy of the following notice:

The State of Texas

To all persons interested in the welfare of Anton Wokaty, a person of unsound mind:

Mrs. Maggie Wokaty, guardian, has filed in the County Court of Milam County, on the 6th day of January, 1927, her final account as guardian of the person and estate of said Anton Wokaty, and her application for discharge of such guardian, which said account and application will be heard by said Court at the next regular term thereof, to be begun on the 6th day of June, 1927, at the Court House of said County, in Cameron at which time all persons interested in the welfare of said Anton Wokaty are required to appear and answer said application and contest said account, should they desire to do so.

Herein fail not, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Cameron, this 5th day of May, 1927.

LILIAN ATKINSON,
Clerk, County Court, Milam Co., Tex.

SHERIFF'S SALE

Notice is hereby given, that by virtue of a certain order of sale issued by the Clerk of the District Court of Milam County, on the 3rd day of May 1927, in a certain cause wherein Mrs. Mamie A. Hefley and husband, Hubert Hefley, are plaintiffs, and Cameron Chevrolet Motor Company, a partnership composed of J. E. Middleton and J. W. House, are defendants, in which cause a judgment was rendered on the 30th day of April 1927 in favor of the said plaintiff Mrs. Mamie A. Hefley, as her separate property, against said defendant Cameron Chevrolet Motor Company, for the sum of Eleven Hundred ($1100.00) Dollars, with interest thereon at the rate of six per centum per annum from date of judgment, together with all costs of suit, I have levied upon and will, on Monday, May 16th, 1927, at the building known as the Chevrolet building, located at the Northeast corner of Block No. 2 of the City of Cameron, Milam County Texas, at the intersection of North Travis Avenue and West First Street, between the hours of 10:00 a. m. and 4:00 p. m., proceed to sell for cash to the highest bidder, all the right, title and interest of Cameron Chevrolet Motor Company, in and to the following described personal property, levied upon as the property of said Cameron Chevrolet Motor Company, to wit:

A stock of parts for Chevrolet automobiles located in said building; a stock of automobile accessories located in said building; shop equipment and machinery, consisting of one air compressor, one lubricating oil tank, one electric grinder, two chain hoists, two tool cabinets, one cylinder reamer, one main bearing reamer, one motor stand, one center bearing facing tool, one running-in machine, one axle stand, one refacer, one conveyor, one system of steel track with appurtenances, one paint-spraying outfit complete, one electric system installed, one sale promotion equipment, one battery rectifier, one acetylene tank and torch welding machine, one electric motor for running-in stand, one weaver press, and various other small tools, machinery and equipment located in said building; and office furniture and fixtures, consisting of one Burroughs posting machine, one safe, one flat top desk, one typewriter desk, two chairs, two steel bins, two counters, one utility cabinet, one system of parts cabinets, one steel filing cabinet, one cash register one card catalogue system and various small articles and accessories, located in said building.

The above sale to be made by me to satisfy the above described judgment for the sum of Eleven Hundred ($1,100.00) Dollars, in favor of Mrs. Mamie A. Hefley, together with the costs of said suit and the further costs of executing said order of sale and the proceeds applied to the satisfaction thereof.

L. L. BLAYLOCK,
Sheriff Milam County, Texas
By Will Vaughan Deputy.
Cameron, Texas, May 3, 1927. 53-2tc

TO ALL HOLDERS OF SECOND LIBERTY LOAN BONDS

NOTICE OF REDEMPTION

All outstanding Second Liberty Loan 4 per cent bonds of 1927-42 (Second 4's) and all outstanding Second Liberty Loan Converted 4¼ per cent bonds of 1927-42 (Second 4¼'s) are called for redemption on November 15, 1927, pursuant to the terms of their issue. Interest on all Second 4's and Second 4¼'s will cease on said redemption date, November 15, 1927.

Holders of Second 4's and Second 4¼'s will be entitled to have the bonds redeemed and paid at par on November 15, 1927. Such holders may, however, in advance of November 15, 1927, be offered the privilege of exchanging all or part of their bonds for other interest-bearing obligations of the United States. Holders who desire to avail themselves of the exchange privilege, if and when announced, should request their bank or trust company to notify them when information regarding the exchange offering is received.

Further information may be obtained from any Federal Reserve Bank or branch, or from the Commissioner of the Public Debt, Treasury Department, Washington.

A. W. MELLON,
Secretary of the Treasury.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

GENUINE CASTORIA ALWAYS

Bears the Signature of

Chas. H. Fletcher

In Use For Over 30 Years

The Kind You Have Always Bought

THE CENTAUR COMPANY, NEW YORK CITY.

CHICKS!

Chicks! Chicks!

Frigidaire

ELECTRIC REFRIGERATION IS

Better Refrigeration at a LOWER COST

When you buy Frigidaire you are buying a product made and guaranteed by the Delco Light Company of Dayton, Ohio. Delco Light is the largest manufacturer in the world of Electric Refrigeration. Back of Delco Light stands the General Motors Corporation of which Delco Light is a part. Back of Frigidaire, therefore, are all the resources and experience of a great, responsible, permanent institution, founded on the bedrock of service to patrons.

Frigidaire is far outselling all competition. Over 2,000 Frigidaires are being sold daily. Frigidaire is better Refrigeration—Cheaper—Uniform—Dependable—Automatic.

Will you let the Frigidaire Man call and tell you more about the best Electrical Refrigeration?

Keith Electric Co.

Cameron, Texas

H. E. Instructor With T. P. & L. Company

Miss Fannie Mersman of St. Louis, Mo., home economist for the Edison Electric Appliance Company is conducting a demonstration of electric cookery and a series of cooking lectures in the office of the Texas Power and Light Company from 2:30 to 4:30 p. m. this week.

Miss Mersman is an experienced Hotpoint Home Economist instructor, and her daily lectures have attracted wide attention.

Elsewhere in this issue will be found an advertisement of the sale of the Electric Range with exceptionally low terms.

Mr. & Mrs. Bridge Club

The Mr. and Mrs. Bridge Club was delightfully entertained in the home of Mrs. Vernon Roberts on last Tuesday evening.

Three tables were provided for the players and a number of games were enjoyed.

High score was won by Clifton Jenness and he received a novelty letter opener. Consolation fell to Alex Triggs, a deck of cards.

The hostess served ice cream and cake.

Mr. and Mrs. Alex Triggs and Mr. and Mrs. C. W. Bradbury were guests.

Celebrates Birthday

Mrs. Amanda Brooks, mother of Mrs. J. B. McLane was made happy Wednesday, May 11th, when she celebrated her ninetieth birthday, by the many kind remembrances of her frinds.

Mrs. Vogel had invited her to spend the day in her home, and during the day the honoree was completely surprised when members of the Presbyterian Auxiliary called and presented her a large birthday cake containing ninety candles, with numerous gifts wrapped in neat packages. She expressed her appreciation of being remembered so kindly.

Mrs. Brooks felt unusually well and returned to her home at a late hour in the afternoon.

A number of friends called to see her during the day.

Wm. Collins Narrowly Escapes Snake Bite

William Collins youngest son of Mr. and Mrs. Max Collins, had a narrow escape from being bitten by a copperhead snake at the country club on last Saturday morning. "Little Red" was playing golf when the snake struck at him but fortunately it only grazed his arm. He rushed home and Dr. Sapp was called to dress his arm. The arm was swollen to almost twice the normal size in a short while but we are glad to report that this swelling has left and "Little Red" is able to be out and back at school.

Baptist W. M. U.

The W. M. U. met in circles Monday afternoon for Bible Study in the following homes:

Circle one met with Mrs. Wm. Fannin with eight present.

Circle two met with Mrs. D. B. Gunn with thirteen present.

Circle three met with Mrs. Roy Law with eleven members and two visitors present.

Circle four met with Mrs. Walter Newton with ten present.

Next Monday afternoon an Enlistment service will be held at the church directed by Mr. Hutcherson.

The R. A's. and Sunbeams will meet at the church Sunday afternoon at 2 o'clock.

As You Like It Club

Wednesday afternoon Mrs. F. J. Beckerman was hostess to members and special guests of the As You Like It Club.

Pink roses were used in floor baskets, vases and crystal baskets to make more beautiful the parlors of the home. Seven tables were provided for the guests amid this alluring environment. The tables were laid with pretty pink covers, and tally cards and score pads carried out the pink rose design.

A series of interesting games of forty-two filled the hours of club meeting with enjoyment.

As an aftermath of the afternoon's pleasures, the hostess, assisted by her daughter, Miss Lily Kate Beckerman, Mrs. R. H. McIntosh, Miss Katharine McIntosh and Mrs. John Denson served a salad plate consisting of chicken salad, bread and butter sandwiches, saltines, pear with mayonnaise, salted nuts and pink ice.

FISHFRY AT WAYSIDE

Bob Terry, baseball player and fisherman de luxe, gave a big fish fry for his friends at Wayside on Wednesday night. They had plenty of fish. Mr. Terry caught about 60 pounds the night before. Everyone present reports a big time and all the fish they could eat.

Picnic at Country Club

Mr. and Mrs. J. E. Mangum gave a picnic at the Cameron Country Club on last Saturday evening, in honor of their friends, Mr. and Mrs. Will Coffield of Waco, who stopped over for a few hours enroute to Rockdale.

Barbecued chicken with all accessories was thoroughly enjoyed by the guests.

Out of town guests were the honorees, Mr. and Mrs. Will Coffield of Waco and Mrs. Baimbridge Jones of Waco, who was a week end guest of Mrs. F. C. Fahrendorf.
